WEST VIRGINIA PARKWAYS AUTHORITY MAINTENANCE DIVISION

PROCUREMENT SPECIFICATIONS

260 CFM Portable Air Compressor

Units: Two (2) Air Compressor

1.0 PURPOSE

It is the purpose of these specifications to describe an 260 CFM Portable Air Compressor, (hereinafter referred to as "unit") to be purchased for use by the West Virginia Parkways Authority (hereafter referred to as Authority); to define the provisions to be contained in proposals for the sale of said unit to the Authority; establish a schedule for delivery and the criteria for gauging the compliance of the bidder to these specifications.

2.0 BIDDING PROCEDURES

- **2.1** The current purchasing procedures regarding bidding as established by the Department of Finance and Administration, Purchasing Division and the Authority shall apply.
- **2.2** Bidders shall return three (3) copies of these specifications with all information provided, as requested herein.
- **2.3** Bidders must indicate comply or non-comply for each specification described in Sections 5.0 and 6.0. All non-comply answers are to be fully explained on a separate sheet to be attached to the bidders proposal.
- **2.4** FAILURE TO PROVIDE THE INFORMATION REQUESTED IN SECTION 2.3 MAY BE CAUSE TO REJECT THE BID.
- **2.5** It may be determined by the Authority that non-compliance with unit specification does, or does not, reduce the quality and performance of the affected unit below an acceptable level.
- **2.6** Bidders may submit additional manufacturer's literature and information pertinent to their proposal.

3.0 CONDITION OF UNIT UPON DELIVERY

- 3.1 The unit shall arrive at the prescribed delivery point having been completely pre-serviced with oil, lubricants, coolant, and tire pressure; with all equipment completely assembled, installed and operating as designed; and all required adjustments and corrections made to make the unit immediately ready for its designed and continuous operation. All prescribed precautions pertaining to first operations and break-in of the unit shall be posted conspicuously on the unit for ready observance by the operator.
- 3.2 MANDATORY upon delivery, the Authority will perform a complete inspection of the unit to assure

that it meets the Authority's specifications or accepted alternatives. Final processing for payment may not be initiated until the unit is certified to meet specifications and the operator's manual, service manual, parts manual, and the <u>Certificate of Origin or Title</u> are received.

3.3 The bidder shall have a qualified service representative available for consultation during the initial start-up to make any adjustments. This is in addition to any training required in these specifications.

4.0 AWARD CRITERIA

- **4.1** It is the Authority's intent to open this procurement to a wide audience of bidders. The specifications outlined herein are desirable a specification describing a unit that the Authority feels best meets its needs. However, the Authority will consider any reasonable alternates to the specifications if the bidder can demonstrate that the proposed alternate is comparable in performance, quality and functionality.
- **4.2** The Authority may request a bidder to conduct a demonstration of the proposed unit under actual operational conditions. If so, the bidder will have 15 days from notice to conduct such demonstration.
- **4.3** The Authority reserves the right to reject any or all proposals or to waive any non-consequential irregularities or informalities in proposals received. The Authority reserves the right to accept the proposal that will, in the Authority's judgment, best serve the interest of the Authority regardless of whether such proposal is the lowest cost submitted.

5.0	GENERAL SPECIFICATIONS	Comply	Non Comply
5.1	IDENTIFICATION OF THE UNIT BEING PROPOSED		

The bidder shall identify the unit by manufacturer, model, series and year of manufacture, so as to enable identification by the Authority in the manufacturer's sales literature on the proposed unit. The bidder shall submit complete descriptive literature showing that the proposed unit is the manufacturer's most current model, including latest engineering improvements, which have been, or shall imminently be, regularly advertised and sold on the open market. The description of the unit shall also be sufficient to assure the Authority that specifications will be met without improvising, modifying, or augmenting a basically standard unit beyond those variations contained in the manufacturer's regularly advertised specifications.

		Comply	Non Comply
5.2	DELIVERY POINT AND DELIVERY SCHEDULE		
	Delivery point of completely assembled unit will be the West Virginia Parkways Authority, 265 Neptune Drive, Beckley, WV 25801 within ninety (90) calendar days after the date of the purchase agreement, by the successful bidder. Marking "comply" to this specification indicates that the bidder <u>WILL</u> deliver the unit in 90 days. If the unit is not delivered within 90 days, or alternate days proposed, the Authority has the right to cancel the award and negotiate with the second highest ranked bidder.		
5.3	OPERATING AND SERVICE MANUALS AND PARTS LITST		
5.3.1	One (1) operator manual shall be included with each unit upon delivery. In addition, there shall be a total of one (1) service manual, and one (1) parts manual included with the total delivery.		
5.3.2	Successful vendor shall provide the Authority with complete list of all filters required for normal maintenance on proposed unit.		
5.4	TRAINING		
5.4.1	Manufacturers and/or dealers will be required to stage a thorough seminar on the subjects of Preventive Maintenance and Operator Training. The seminar shall be held at the WV Parkways Authority Beckley South Complex.		
5.4.2	Each unit is to be accompanied by any available manuals, booklets and pamphlets explaining the Preventive Maintenance and Operator Training procedures to be used by the operators of this equipment. This must include such things as daily pre-start, inspection procedures, service schedule, routine maintenance required, safety precautions, etc.		
5.4.3	The successful vendor shall furnish all training aids; i.e. videos, projectors, etc., required in conducting the training.		

		Comply	Non Comply
5.5	MANUFACTURER'S WARRANTY AND SERVICE POLICY		
5.5.1	Failure by a manufacturer's authorized dealer to render warranty service when properly presented may subject manufacturer's line to suspension from the approved products list until satisfactory evidence of correction is presented. A copy of the manufacturer's warranty shall be attached to this bid proposal. Any exceptions or additions to the manufacturer's warranty shall be clearly noted by the bidder.		
5.5.2	Such warranty or service policy is to be recognized at any authorized unit dealer, representing manufacturer of proposed unit throughout the State of West Virginia. The applicable warranty or service policy shall not be contingent upon obtaining routine service lubrication and servicing of the unit from a factory-authorized agency. It shall be the responsibility of the bidder to make available all replacement parts, components, and materials found to be defective under the terms of the warranty, and without cost to the Authority. All units shall be accompanied upon delivery by the machine manufacturer's properly executed warranty or service policy.		
5.6	PARTS AND SERVICE DISCOUNTS		
	The bidder shall specify the amount of discount it will grant to the Authority on parts and labor for the first year that the Authority has the unit in operation. Discount on labor should be that allowed on the usual and normal shop rate charged to retail customers for the same type of work done. Discount on parts should be that percentage granted on manufacturer's list price.		
	Discount on Parts:		
	Discount on 1 arts.		
5.7	UNSPECIFIED ACCESSORIES AND FEATURES		
	All parts, equipment accessories, material, design and performance characteristics not specified herein, but which are necessary to provide a complete unit with power plant, drive system, operator accommodations and operator controls, shall be furnished with the unit and shall conform in strength, quality of material and quality of workmanship to those which are advertised and provided to the market in general by the unit industry. All parts and accessories advertised and regularly supplied as standard shall be included, except those which would represent duplication of these		

specified, and except those which, by specification, are not to be furnished. All standard safety features, required by federal and state law, shall be included. Where applicable, tire and rim dimensions, design, and safety standards shall conform to the latest Tire and Rim Association specifications. Pneumatic tires shall conform to the latest federal specifications concerning the interest of public safety.

WV PARKWAYS AUTHORITY Purchasing Department

STATE OF WEST VIRGINIA

PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (*W. Va. Code* §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
